Description: The White Oak family consists of 6 different white oak leaves rendered at realistic scale and incredible detail. The parts use two concealed SMART PINS PLUS anchors.

(shown in Cast Silicon Bronze)

(6 different leaves shown in Cast Aluminum)

Material: Cast Aluminum or Cast Silicon Bronze

Cast Aluminum: Clear Anodize

Cast Silicon Bronze: Brown Patina Finish

Corner Radius: Available in 1/8" radius, 3/4" radius, 1" radius, 1-1/4" radius, 1-1/2" radius, or chamfer. Also available in flattened Wallart for accents (3 piece family).

Outside Dimensions: Approx. 3" (wide) x 6" (deep) x 1/2" (tall)

Anchoring: Anchored with two blind SMART PINS PLUS anchors. Use anchors in conjunction with two-part epoxy.

Product Spacing: 18" from end of planters/walls and approximately 36" centers. Do not apply at grout joints.
